God's word is pure - men change the word of God by not doing his word

The Reason people get angry with the Preacher of Truth and fight him is Doctrine - The Reason believers do not understand truth.

Know doctrine if we do

They do not do the will of God

John 7:17 If any man will do his will he shall know of the doctrine whether it be of God or whether

I speak of myself

People do not recognize truth when they are living for themselves - The reason people want to argue about truth is because they will not do it. When men will not do truth (regardless of the fact that they assent to predestination and other truths) they cannot understand truth.

Psalms 111:10 a good understanding have all they that do his commandments

Deut 4:5, 6 I have taught you statutes and judgements - keep them for and do them for this is your wisdom and understanding
